6. Following the initial adjustment period **Opening Week**, please allow us to take your child from the car. Walkers can leave child at gate with a teacher. Should your child be hesitant to leave you when taking him/her from the car, be confident that almost always a child will become happy within minutes after a parent has gone. The staff is trained to meet your child's needs with great sensitivity. If your child continues crying more than 15 minutes after you have left, we will call to advise you.
7. Parents are welcome to visit the classroom in session any time after October 1st. This will allow the children to become familiar with the program without distractions. Please make an appointment if you are planning a visit. We greatly enjoy parents' visits, but we do ask that you participate in the life of the class. i.e. reading books
8. Children in the Afternoon Programs should bring their lunch in a lunch box with their name on it. **NOTHING WITH NUT PRODUCTS.** A beverage should be included. Lunch will be eaten between 11:50 am to 12:20 pm.

 29. **Discipline Policy:**
There are two guiding principles practiced at **Spring Valley Montessori Academy:** *to be safe and kind – with ourselves, and the people and things around us.*

Our environment and materials are designed to attract and engage. Children are free to move around the room, work with purpose, socialize or simply enjoy a book. The balance to these freedoms include moving around the room with care and maintaining a volume of voice so as not to be too loud or intrusive.

A child who demonstrates behavioral problems will be redirected to an activity that better suits his/her interests. Often misbehavior is simply a sign of boredom. Therefore, we will not use time-outs and will try to engage the child in a productive and interesting activity. If this approach does not seem to be effective, the parent will be contacted. "Corporal Punishment such as spanking with the hand or any object, slapping, swatting, pulling hair, yanking the arm or leg, or similar activity is **prohibited**. Verbal abuse, threats, derogatory remarks, withholding or forcing food or isolating a child in a confined space is also **prohibited**."
 30. Parents must complete: Photo Release, Directory Information, Health Inventory, Emergency, Medical Authorization, and Policy Agreement Forms.
